

Capital Campaign Summer Update

We asked and you, St. John Fisher families, responded! We have met and exceeded the \$50,000 matching grant challenge awarded by the Maybelle Clark Macdonald Fund!

It is with much gratitude and excitement that we report an overwhelming response to our plea to raise additional capital campaign funds for the matching grant challenge. 107 donations, including 30 first time donors, have contributed \$90,695. When we add the \$50,000 matching grant proceeds, this 6 week infusion now totals \$140,695 and takes our total capital campaign pledge balance to \$3,903,864. Thank you for your very kind generosity!

Let's keep the momentum going. To date, 56% of the SJF Parish and School Families have made a contribution. A \$250 one-time gift by families who have not had a chance to make a donation would add another \$100,000 to our campaign. If this happens, our parish and school community would reach our initial financial goal of \$4.0m. If you haven't given to the campaign yet, please consider a one-time \$250 gift. Thanks again for your participation and contributions to St. John Fisher.

For more information contact Kelly Corrigan, Development Director at kcorrigan@sjfschool.org or 503.616.6983.

We would like to thank all of the generous donors to our *Growing to Serve* Capital Campaign.

This includes all contributions through July 17, 2016. If there are errors or omissions, please contact the parish office.
